

MAJOR CBAM UPDATE

CBAM PRICE (CARBON TAX) IS NOW OFFICIAL:

First Carbon Cost Announced by EU

The European Commission has released the first official CBAM certificate price (linked to EU ETS):

**Q1 2026: €75.36 per tonne of CO₂
(₹8,070 – ₹8,090 INR)**

cleancarbon.ai

HOW PRICING WILL WORK?

2026:

- Price published quarterly
- Q1 price = €75.36
- Next updates in July, October, January

From 2027:

- Price will be updated weekly
- More volatility = More cost uncertainty

THIS IS THE MOMENT CBAM BECOMES REAL MONEY

Higher emissions = More certificates = Higher cost

No actual data = Default values = Even higher cost

**Carbon price fluctuations = Direct impact on
your margins**
