SEPC Invites Mr. Nilesh Bhattad to Speak on India-EU Free Trade Agreement

Mr. Nilesh Bhattad, founder and CEO of [CleanCarbon.ai](https://cleancarbon.ai), was invited to speak at a high profile event "India-EU Free Trade Agreement: Role in Making India a Global Hub for Renewable Energy, Storage Technology and Carbon Market Trading amidst current geopolitical developments" at the 2nd National Conclave on Environmental Services (NCES 2026). The conclave was organised by Services and Exports Promotion Council (Ministry of Commerce and Industries) in New Delhi. Mr Bhattad explained how EU CBAM is reshaping global trades and impacting Indian MSMEs.

PHDCCI Invites Mr Nilesh Bhattad to Speak on India's CBAM Readiness

Mr. Nilesh Bhattad, Founder & CEO of CleanCarbon.ai, was invited to speak at Carbon Shift India 2026, organised by the PHD Chamber of Commerce and Industry (PHDCCI). He addressed the session on "CBAM Compliance & India's Industrial Readiness," highlighting the steps Indian manufacturers and exporters must take to prepare for the European Union's Carbon Border Adjustment Mechanism (CBAM). The session brought together industry leaders, policymakers, and sustainability experts to discuss strategies for strengthening India's industrial competitiveness and accelerating the transition to low-carbon trade.

How CBAM Will Change International Trade Forever?

CBAM trade is getting reshaped and its global trade altering effects are already visible. The EUCBAM policy is pushing companies towards decarbonisation besides helping in market expansion with some strategic interventions. However, it is going to change international trade beyond that. In this blog, we will dissect in detail how EU CBAM trade policy will reshape global business forever as a CBAM Survival Guide. [Read more...](#)
